### Accounts

The following accounts were passed for payment;

Mr J.Cooper- Cemetery maintenance	£254.18
Thames Water- Allotments	£11.61
Oxford City Council- Recreation Ground maintenance 96/7	£240.00
do do do 97/8	£661.75
D.Ward- Hedge cutting Mill Lane	£770.00
Hedge trimming- small area Mill Lane	£70.00
cemetery hedge	£50.00
Boults Lane	£150.00

### Allotments

A letter was received from the Allotment Association enquiring why the hedges were cut so severely, who instructed the Contractor, the cost and why a lighter and cheaper trim was not considered. The Clerk replied that he had asked the Allotment Association, in December for it's proposals for the management of the occupied part of the site. No proposals were received. The proper management of a hawthorn hedge is long established maintaining a height of four of five feet and an appropriate width at which size they are the most effective. Hedges left to grow higher than this are inevitably sparse at the base. The drastic cutting was required to leave the basis for a sound hedge. The cost was £770 in accordance with the quotation accepted in October 1997. He had instructed the Contractor.

It was resolved that Mr R.Ward of Parkway House should be paid the sum of £200 if, within a period of ten years from his voluntarily ploughing the vacant plots, the land should be sold for development.

### Recreation Ground

Permission was received from the Oxford Preservation Trust for the clearance and maintenance of the end of the land used for recreation in Mill Lane, The Clerk would obtain quotations.

The Clerk would investigate damage to the barrier in Boults Lane.

### Village Hall

Mr Haynes agreed to serve for a further year as the Parish Council's representative on the Management Committee.

Mrs Cox reported that the City Council would not continue to subsidise the Hall for the current year. Mr Yeoward agreed to investigate this.

### Highways

The Clerk had reported injuries to Mrs Richardson, due to a fall on the rough footway between the Three Horseshoes and Elsfield Road, to the City Council.

A quotation of £3,500 was received for the sub-way mural which was more than was expected. It was decided to invite the artist to reconsider his proposals and make a presentation at the June meeting.

### Burial Ground

A deed of grant in respect of plot H14 was signed, the appropriate fees having been paid.

### Other Matters

The Clerk reminded members that the next meeting would be the Annual Meeting which would be held following the Parish Meeting which would be held in the Church Hall on 5<sup>th</sup> May 1998.
