held at 7.30pm on Tuesday 7th July 1998
at the Mortimer Hall**

Members Present

Mr A T Jones (Chairman)
Mr C W Haynes (Vice-chairman)
Mesdames Cowell, Cox, Deam, Nurse, Stone & Tiwari
Messrs Batey, Bartleet, Drinkwater & Phipps
The Clerk Mr L M Garner was in attendance

Minutes

The minutes of the meeting held on the 2nd June 1998 were confirmed and signed

Matters Arising

The Clerk reported that the written submissions, to the draft agreements etc., from the Allotment Association had not been received for circulation with the agenda. A copy of comments to the Agreement was handed to the Chairman but as there had been no opportunity to consider the items it was decided that the matter should be deferred to a further meeting of the Allotment Sub-committee.

Mr Critchley had received a response from the City Engineer to his request for resurfacing the footpath from Boults Lane to Horseman Close. This appeared not to address the problem and was at variance with the letter received by the Clerk. It was decided to ask for a site meeting.

Mr Bartleet said that £930,000 had been granted to the County Council, by the Government, for the purpose of improving rural bus services. A service for Old Marston would not qualify unless a service to a rural area came through Old Marston in which case it could be used by residents. Any suggested routes should be passed to the Clerk.

Correspondence

Information on crime prevention relevant to the anti-social behaviour in the Parkway area was received from the local Police. This was being used as the basis for the proposal to gate and lock the alleyway between Lodge Close and Parkway.

Mr D. Nicholls had arranged a meeting in the Church Hall on the 13th July 1998 to discuss the problems. Mr Haynes agreed to represent the Council.

Wadworth Ltd, the leasees of the Victoria Arms agreed that the first cut of grass under its control could be deferred to permit wild flowers to seed but asked that the Licensee should be reminded of this each year. (Would Members please note?)

The Annual Report and Accounts of the Village Hall Management Committee were received.

The appointment of the Clerk as a Governor of St. Nicholas First School for a period to 31st August 2001 was confirmed.

Planning

Applications

The following applications were considered;

38, Oxford Road- Conservation area and planning consent for the demolition of a garage and shed and reconstruction. The Clerk was asked to protest that the demolition work had been completed before the consultation period had expired and no consent granted.

R/o 1, Beechey Avenue- Consent for the erection of a bungalow on this back-land site was granted some years ago. This application is for a variation to increase the height of the roof; because of the location any increase beyond what is required to comply with building regulations should not be granted.

ATJ

The proposed increase in the size of the roof space together with a roof light could be intended for another purpose.

adj.23, Mill Lane- New dwelling- Concern over parking arrangements

8, Boult's Lane- Protective screen to stained glass window- No comment

26, Arlington Drive- Incorporation of garage into dwelling- No objection subject to adequate parking arrangements

16, Gordon Close- Large extension, No plans received, No objection

Decision

The application for the retention of prefab buildings at Marston Middle School had been approved

Other Matters

A notice of change to the 13c bus service was received. Mrs Deam agreed to examine the proposal.

I.Ward	Ploughing allotments 450.00
Public Works Loans Board	Loan repayment 320.52
Oxfordshire Association of Local Councils	Subscription & Review copy 416.30

Thames Water	Allotments 13.67

Audit Report

The Clerk read the Auditor's report for 1996/7 which drew attention to two minor omissions on the Annual Statement which had been corrected. The statement that the Accounts had not been adopted by Council was not accepted in view of the Minute of the 13th May 1997.

Allotments

The Clerk reported that catalogues showed the cost of a notice board for the Allotments of about £500 excluding erection. He said he would enquire whether a simpler version could be provided locally at less cost.

Recreation Ground

A proposal that a seat be provided in memory of Mr Norman Jones, accompanied by a cheque for £200 towards the cost was received from Marston Saints F.C.. It was agreed that the proposal should be adopted as a joint tribute with the Parish Council.

The Clerk was instructed to have a dead tree felled on the Boult's Lane Recreation Ground.

A quotation in the sum of £1826 for work to the Boult's Lane changing room was received. The Clerk was asked to discuss this with the Marston Saints Football Club. It was decided to order a replacement litter bin for the Oxford Road Recreation Ground.

The City Works quotation to replace the damaged seat adjacent to the Mortimer Hall at a cost of £545.55 was accepted.

Highways

Proposals for changes to 30mph speed limit areas were received which did not include the extension of the limit area in Elsfeld Road. It was decided to press for this.

The list of suggested themes for the underpass mural were considered. The Clerk was asked to contact the artist for samples of the calm country scene and the jungle theme. The Clerk would submit an application for a grant towards the cost from the Trust for Oxfordshire Environment Ltd.

Following potholes were to be reported, Lewell Avenue, Raymund Road and the footpath on the south side of Windsor Crescent.

There will be no meeting in August.

Association (OMMLAA) held at the Church Hall at 7.30p.m. on 14th
July 1998**

For OMMLAA Dr G. Swift (Chairman), Mr P. King and Mr W. Agent. Miss Westwood
left the meeting before it commenced feeling unwell.

The Minutes of the meetings of the 1st and 22nd June 1998 were not signed

In preliminary discussions relationships between the Council and the Mortimer Hall
Management Committee and the Marston Saints were explained and details of the
Court Place Farm Allotment Association's relationship with its landlords were given.

Various drafts of the Constitution of the Association and the agreement with the
Parish Council were considered and the attached versions are recommended to the
Council. The terms of the tenancy agreement, having previously been agreed by the
Association were subject only to minor amendment. Copies attached. Mr King's offer
to make a notice-board was accepted subject to costings.

Clerk's Comments

The District Auditor's suggestion that the Association's Treasurer should be the
subject of a Fidelity Bond was, because of the small amount of money involved not
incorporated in the agreement. This decision should be the subject of a Parish Council
resolution.
