

# Marston Parish Council: Referendum

## MARSTON or OLD MARSTON

Both names are now in use. Since earlier than 1200 A.D. the correct name of the Parish is MARSTON; but from the late 1920's OLD MARSTON has also been used and it is difficult to justify two names for the same place. Should it be Marston or Old Marston?

The Parish Meeting on 7 March 1994 will consider this and would like Residents to express their views - what are yours? ALSO: if you wish to change officially to Old Marston, where should the boundary be?

Alun T. Jones, Chairman

L.M.Garner, Clerk

PLEASE COMPLETE THE REFERENDUM BELOW AND return the slip to the Parish Clerk at 31 Oxford Road, Marston (or Old Marston?)

I/we prefer Marston / Old Marston [delete the name you do not want]

If you have chosen Old Marston should this area be

- a) the development north of Marston Ferry Road and Cherwell Drive
- b) the area of the whole Parish, including Cherwell Drive, Elms Drive, Beechey Avenue, Arlington Drive, Rippington Drive, etc.? [delete the choice you do not want]
