

2020 ANNUAL PARISH MEETING

[The Local Authorities and Police and Crime Panels \(Coronavirus\)\(Flexibility of Local Authorities and Police and Crime Panel Meetings\) \(England and Wales\) Regulations 2020](#) came into force on 4th April 2020. The Regulations allow virtual rather than physical meetings to be held.

The Regulations mean there is now no requirement (reg.6) for a Parish Council to hold its annual meeting. The expectation is that the Chairman of the Council will stay in post until he resign or a meeting can be legally held.

Old Marston Parish Council **RESOLVED** at its May Council meeting to postpone the Annual Parish Council Meeting until May 2021 with all officers, committee members and outside body representatives remaining in post, unless a resignation occurs.
