AGENDA

- 1. Due to the confidential nature of the business to be discussed in this meeting the public will not be permitted to attend.**
- 2. Apologies for absence.**
- 3. Minutes of the meetings on [7th December 2020](#)**
- 4. Matters arising omitting those for which an agenda heading follows.**
- 5. Future Ideas relevant to this Committee to be discussed:**
 - More tree planting, hedges, and wildflowers,
 - Leafletting survey/feedback form.
 - More bulbs planting,
 - Improvements to Parish Council allotments
 - More Bird Boxes
 - The Parish Council should do more to support and promote what Alistair is doing with the community gardening project - there are so many strands to that, and he is making it easy for people to engage at any level they like. He is making the allotments accessible, and he is promoting all the lifestyle changes that will support the environment, and I think it is a wonderful way to help local people get to know each other. In fact, it is their AGM later today, so I will ask them if there is anything the Parish Council could do to support them more.
 - To commission our own map of the footpaths around the village with points of interest marked on it. Things like that are easily available, but it would be nice to have our own, as a way of publicising ourselves, and promoting the aspects of the village that we love.
- 6. Any item that has come to the Clerk's attention of an urgent nature since the agenda was set.**
- 7. Information sharing (including correspondence)**
- 8. Date of next meeting: -**
