REC18/02/04 As, at their February meeting, the Council had asked the Committee to relook at the possible play equipment for Boults Lane this meeting was arranged just for that purpose. So there are no previous minutes to approve.

After some discussion MC proposed continuing with the full project as previously decided, subject to grant funding being found. Seconded BL All Agreed. It was therefore RESOLVED to recommend to Council that the project be as previously agreed, subject to grant funding being available.

It was agreed that a copy of the poster showing the future play area would be put up at the school and in the Roy Garner Pavilion.

TG would go to St Nicholas Primary School to get feedback from the children and parents, getting recorded information if possible.

REC18/02/05 Information Sharing

PH asked about the grass cutting contractor for the cemetery and whether weed killing could be added. The Clerk advised that tenders had just been received but as the weeds were on individual plots it would be difficult to include. PC stated that he would be doing more at the cemetery so would look out for weeds.

PC reminded the Committee that there was the store at the Cemetery which cost the council £15,000 but is lying empty.

TG spoke about work needing to be done around the Mortimer Hall Recreation Ground. It was agreed when the better weather come this will be done.

The Clerk read out two emails from residents asking about the new play equipment.
